Rendezvous with Rachel Revere

It is May 2, 1775 and Rachel Revere has only heard from her beloved husband Paul once since his legendary midnight ride on the 18th of April. Still isolated from one another due to the Siege of Boston, Rachel desperately tries to create a plan which shall safely take her children: six step-children from Paul's first marriage and a newborn baby of their own, from the reach of the British Regular Army in Boston. In this program, you will help Rachel, as she carefully considers the dangers and demands of each plan. Find out if Rachel is successful in her perilous mission to unite her family, amidst the wake of an American Revolution.

Rendezvous with Rachel Revere is brought to you by History At Play. Founded in 2010, History At Play travels nationwide to chronicle the stories of influential and often forgotten women through immersive living history. www.HistoryAtPlay.com.
